

2021 ANSO Board of Directors Elections Nominee

National Vice President

Lieutenant Commander Rolando Jesus Machado Jr., U. S. Navy

I am 100% committed to ANSO and with the support of the BOD, our members and the Sea Service Chiefs, look forward to supporting our nonprofit as National Vice President. Now, more than ever, our Integrated Maritime Force needs motivated leaders to continue the momentum we've built despite recent obstacles. COVID-19 has challenged our community as a whole in the workplace, but the resiliency, adaptability, initiative and entrepreneurial spirit embodied by Hispanic Americans across the nation is an asset to our nation's warfighting capability. Pa'lante seguimos, Full Speed Ahead.
